“The assistance we have received from Corporate Traveller towards the restart of our travel activities has been invaluable and much appreciated. The assistance from all at Corporate Traveller throughout the planning, implementation and rollout of technology in our organisation has been exemplary.”

COO @ Adamas

### Background

- Flights, hotels and transfers are normally arranged over the phone with one of our consultants.
- Convenience and saving time are higher priorities than saving money.

### Situation

- Travel programme overview needed and to have a supportive travel partner to help with the ups and downs.
- Need for reporting and tools to support traveller safety and security accelerated when the COVID-19 pandemic hit.

### Solution

- Melon platform with built-in duty of care tools and reporting for full view.
- Proactive account managers with innovative ways to progress travel programme.

### Success

- Insight into travel habits and monitor travel alerts all in one platform.
- Lidia: “We love working with you and we never want it to come to an end”.
