Holovis

Industry: Design & Tech

Location: London

Client Established: 2009

“Managing our account for so long, Francesca has been able to learn the needs and preferences of our regular travellers, which makes our communication quite easy. Francesca has been proactive in analysing our regular travel and speaks to hotel managers. Thanks to her, Holovis has benefitted from some great savings by getting corporate hotel rates”

Ada, Travel Booker @ Holovis

Background

- Designers and engineers on multi-stop itineraries often in groups.
- Staff often stationed abroad for months and travel to visit families and other offices.

Situation

- Poor service from previous TMC, so turned to time-consuming internet bookings.
- Holovis team grew from 32 to 125 but needed to stick to travel budget.

Solution

- Travel spend tracked by our team, producing regular reports for management.
- Expert Travel Consultant Francesca negotiates flexible hotel rates and discounts.

Success

- £54k saved in a year through better hotel rates, flight fee waivers and upgrades.
- Copious amounts of time saved by Francesca taking the booking reins.
