

Traveller safety during 9/11 events

There's one focus during an event like this – the safety and wellbeing of employees

Industry: Telecommunications

Location: Crawley, UK

Client Established: 2000

“Corporate Traveller took control of the entire process to ease the situation”

Spirent

Background

- Spirent works with the likes of NASA and European Space Agency.
- Offices in 16 countries.

Situation

- Employee in New York during the events of 9/11.
- Airspace closed meaning no flights were taking off.

Solution

- Constant contact to keep her up-to-date on travel information.
- 10 extra days of accommodation booked outside of the city, transport organised.

Success

- Traveller felt more comfortable and safe.
- Always knew what was being arranged for her.
