Traveller Checklist

Get informed about your destination	Consent for Travel with Minors – If you are travelling
Research entry/exit requirements, visas, laws, customs, medical care, road safety, etc. in the countries you will be visiting. Write down contact details for your nearest embassy or consulate to carry with you in case of	alone with children, foreign border officials may require custody documents or notarised written consent from the other parent. Check with the embassy of your foreign destination before travelling. International Driving Permit – Rules vary worldwide as to what documentation you may need when renting a vehicle. However, most countries accept an International Driving Permit (IDP). You may also need supplemental car insurance. Do your due diligence before renting a vehicle abroad. Get insured
emergency while travelling.	
Assess the risks of travelling abroad. Read travel alerts for your destination and check your local embassy or consulate website for the latest security messages.	
Assess the health risks of travelling abroad by staying	
up to date on current events and by checking in on the UK's Foreign travel advice and FCTG Travel Hub.	
Before going abroad, notify your banks and credit cards of your travel and check exchange rates.	Many foreign medical facilities and providers require cash payment up front and do not accept some forms of insurance. Check your insurance to see if it will cover you overseas and consider getting a Global Health Insurance Card. If not, consider buying supplemental insurance. Make sure the insurance you purchase covers any
Download Melon for city guides, emergency phone numbers, and information about any trip disruptions affecting your itinerary.	
Get required documents	special medical needs or risks you anticipate on your trip.
Medical documents – Countries and airlines may require proof of vaccination and/or negative test results to travel. Please always check with your airline and the government website of the country you're visiting.	Evacuation for medical treatment or to leave a crisis area in another country can cost more than £100,000. Consider purchasing insurance in case of an emergency abroad and carefully check for any exclusions around epidemics and pandemics like COVID-19.
Safeguard your documents – Make two copies of all	a.i.a pa.i.aa.i.i.aa iiia aa iia 22.
your travel documents in case of emergency. Leave one	During your trip
copy with a trusted friend or relative at home and carry the other separately from your original documents. To	Avoid contact with sick people.
help prevent theft, do not carry your passport in your back pocket and keep it separate from your money.	☐ Be aware of local situation and follow public health advice.
Passport – Apply several months in advance for a new passport. If you already have one, it should be valid for at least six months after you return home and have two or more blank pages, depending on your destination.	Wash your hands often with soap under warm running water for at least 20 seconds. Use alcohol-based hand sanitiser if soap and water are not available and always keep some with you when you travel.
Otherwise, some countries may not let you enter.	Practice proper cough and sneeze etiquette.
∇isas – You may need to get a visa before you travel to a foreign destination. Contact the embassy of the countries you will be visiting for more information or go to CIBTvisas.com.	Wear a mask if recommended by local authority or airline.
	If you are feeling unwell, please stay at home.
Prescriptions – Get a letter from your doctor for medications you are bringing. Some countries have strict laws, even against over-the- counter medications, so check with the embassy of your destination before traveling.
