### Background

- Easy smooth business travel is the goal.
- Travellers largely heading to rural areas of Africa.

### Situation

- Small airports, lots of stops and layovers due to African travel landscape.
- GSR travellers miss a significant number of flights.

### Solution

- Howard's been there, done it when it comes to Africa travel.
- Flexible options with airlines, especially during COVID.

### Success

- Team are “tremendous” help in reaching Jessica's goal.
- Travellers are relaxed and kept informed.
